Competitor Intelligence Brief

Sales teams report that a major Northern house is increasingly comfortable using limited-run leather capsules to create traffic, while a Southern house is expanding specialized leather capacity. The central house is concentrating on jewelry. These moves are not equally relevant to every category.

Useful identifiers

- EVT-NORTH-LG connects to leather pricing.
- EVT-SOUTH-26 connects to the expansion narrative.
- EVT-CENTRAL-JT connects to jewelry.
- SEG-LG is the recurring anchor for the most contested category.
