Strategic account and channel assessment

Client & Channel Review

The direct-to-consumer channel dominates the business, but selected partner accounts matter for wholesale and travel retail. Revenue concentration is rising in a small group of strategic partner accounts.

Account	FY26 Revenue EUR m	Retention %	Risk	Channel
ACCT-001	420	97.2	Low	Wholesale
ACCT-002	365	89.1	Watch	Travel Retail
ACCT-003	314	95.8	Low	Wholesale
ACCT-004	286	81.4	High	Department Store
ACCT-005	248	87.7	Watch	Travel Retail

Signals

- Account ACCT-004 has the weakest retention among the top five.
- Travel retail exposure increased, but service costs also rose.
- Channel profitability differs materially from headline revenue.
