

Procurement Coding & Controls Manual

Synthetic internal control memo

Identifier map

Identifier	Example	Use
Project Code	PX-ALPHA	Investment roll-up
Vendor ID	V-017	Supplier master
PO Number	PO-POWER-2026-17	Purchase-order trace
Site Code	SITE-01	Receiving site

Control rules

- Large purchases may be split across several entries.
- Vendor + PO should be used together for transaction tracing.
- Cross-border purchases can appear under localization projects.
- Routine operating transactions are mixed into the ledger.
