

Engineering, Service & Productivity Review

Synthetic people and delivery review

Function	Headcount	Growth %	Service Load	Growth %	Release/Install	Delay Days	Attrition %
R&D	19	29	3.4	13.4			
Field Service	24	41	4.8	16.2			
Digital	31	36	5.1	17.5			
Manufacturing	14	20	2.2	8.7			

Management notes

- Field-service demand is growing faster than headcount.
- Digital attrition is relevant to the PX-DELTA platform rollout.
- R&D productivity should be compared with project outcomes.
