

Three-Year Strategy Review

Synthetic board strategy memo

Theme	Projects	Strategic intent
Localization	PX-ALPHA, PX-BETA	Reduce import exposure and improve supply resilience
EV Infrastructure	PX-GAMMA, PX-ZETA	Expand charging capability and safety
Digital Analytics	PX-DELTA, PX-ETA	Automate monitoring and service
Channel Expansion	PX-EPSILON	Increase home-energy reach

Board concerns

- Investment growth is strong but returns vary widely.
- Working capital is becoming more site-intensive.
- Component dependency and service capacity require attention.
- Competitive price moves are increasing in EV Charging.
