Annual Report Extract - Benchmark Layer

Selected public figures followed by fictional management overlays used only for the game.

Public financial highlights

FY	Revenue INR Mn	EBITDA / reported definition	PAT INR Mn
FY24	698,290.57	91,326.16*	60,600.44
FY25	691,928.88	89,537.58*	56,402.14
FY26	707,633.34	95,475.21**	54,315.20

Definition note

FY24/FY25 EBITDA shown from KPI table excluding other income. FY26 figure includes other income per FY26 annual report. Definitions matter; the management dashboard elsewhere in this puzzle uses a normalized internal EBITDA series.

Operating footprint

Public reports describe the Chennai manufacturing plant and the phased Talegaon expansion. The FY25 annual report states Chennai capacity of 824,000 units and a planned combined capacity path including Talegaon.

Management question

The board has requested a reconciliation between reported growth, normalized profitability, capital allocation, and capacity utilization. Follow project codes rather than relying on document titles.
