

# HYUNDAI MOTOR INDIA - CORPORATE WAR ROOM

## Retention, Churn & Customer Service Report

Synthetic analysis.

### Definitions

Churn = customer account revenue lost or materially reduced over the trailing period. Retention = retained revenue / opening revenue. Service risk combines claims, complaint rate and renewal signals.

### Selected accounts

| Customer | Revenue FY26 INR Cr | Retention % | Risk Flag | Notes                    |
