

HYUNDAI MOTOR INDIA - CORPORATE WAR ROOM

Investment Committee Memo - Selected Programs

Synthetic internal approval memo. Use with T33.xlsx.

Committee extract

Program	Original Thesis	Expected ROI %	Key Assumption	Gate
TLE-02	Create flexible regional capacity	18.0	Utilization >75% by FY27	Amber
EV-35	Localize EV platform economics	15.5	Volume ramp from FY26 Q3	Red
HYB-11	Bridge technology transition	12.8	Premium mix holds	Green
ADAS-07	Improve feature differentiation	10.2	Feature monetization	Red

Decision note

Programs were approved because they addressed strategic objectives. The board later asked for a post-investment scorecard comparing expected and actual results.

Cross-links

T33 contains actual spend and returns. D22 provides site and capacity evidence. T19 provides R&D; intensity.
